ljubav za volanom | love at the wheel

Dear cartoonists!

"Driving" on 9th International Zagreb car cartoon exhibit 2015 you finally have the opportunity to put your ideas on the anticipated and requested topic: **Love at the wheel**

Satisfying one of the important basic human emotions - **love** - can be fulfilled in many ways. For us the most important is connection between the car and love. Love towards car, around the car, with the car and inside the car.

Love is a primal feeling which is in us from the beginning of the world, it has always **"bind"** us with their emotiveness and romance throughout history, but our intrest is our tin pet in the last 100 years , who is a **"witness"** of first hugs, first kisses, first sighs , first whisper spoken words - I love you!

Love is the same as His Majesty the car, OMNI-PRESENT, ALLDESIRABLE and IRREPLACEABLE. We expect you to the **"wheels"** of love.
